

Medical Equipment & Supplies

Quality Equipment & Supplies When You Need Them

If you have a DOL White Card, you are eligible for no-cost medical supplies and benefits for your covered conditions. CNS Cares Medical Supply Services Team are experts in maximizing these EEOICPA benefits for our patients. We work closely with your CNS Care Team to ensure you receive the best quality equipment and supplies when you need them for your DOL covered conditions.

Why Choose CNS Medical Supply Services

▶ Personal Attention

Your CNS Care Team will assess your individual needs and ensure you receive all the quality equipment and supplies you need.

▶ Training & Education

We help educate you on how to use your equipment and supplies to maintain your safety and to achieve the best results.

▶ Proactive Support

Through your Care Team, we can anticipate when you will need new equipment and supplies and be proactive in securing them for you.
